

***Catastrophic Incident Response
Planning and Preparedness -- Lessons
Learned from the Katrina Response
and Implications for HSPD #8 -***

January 12, 2006 -- 08:00 – 12:00 Hrs
Expo Hall, Puyallup Fairgrounds
110 9th Ave SW, Puyallup, WA 98371

Pierce County Department of Emergency Management is hosting a briefing on Catastrophic Incident Response Planning and Preparedness from the first declared Incident of National Significance - Hurricane Katrina -- and the implications for a major earthquake response as defined by the National Earthquake Scenario.

All Operational leaders of local fire, EMS, law enforcement; Elected Officials; Hospital Leaders; Emergency Management, Public Health, Transportation, and Communications Leaders as well as Non-Governmental Organizations (American Red Cross; Tacoma-Pierce County Chaplaincy Program) are invited.

Speakers will include:

- Bill Lokey, FEMA Served as Federal Coordinating Officer (FCO) for the Louisiana Emergency Declaration and subsequently named as FCO for the Major Disaster.
- Dominic Marzano As a member of the Incident Support Team Operations Section, coordinated federal resources in the field during rescue and search operations.
- Vicki Sakata, MD..... Worked as members of the Disaster Medical Assistance Team (DMAT) to provide medical care and address community health issues.
- Kathleen Jobe, MD.
- Kris Benvenuto
- Steve Bailey Director of Pierce County Department of Emergency Management

Registration Deadline: January 5, 2006

(Seating is limited to those registered – Check in will be from 7:30 – 08:00 am on Jan 12)
